Licenses & Permits

- Anglers to please bring their **fishing licenses** along and to present to authorities if so required as **regular patrols** and random searches of lodges (checking fridges etc.) are done. The Wilds encourages responsible fishing from all of its patrons.
- For those who enjoy **crayfish**, be sure to tick this option when applying for your fishing license, but please be cognizant of the **regulations** that include a bag limit of 8 a day and a size limit of 65mm. Crayfish season is the 01st March to 31st October of every year.
- Please also note that **driving on the beaches or any of the service roads** is strictly prohibited unless you **have a specific permit** to do so. The permits applied for via the lodge is not for beach driving and is specific to the roads as indicated on the permit map that you would have received. Heavy penalties are imposed by the authorities if breached. For more information including the application process, checkout our 'downloads' tab. You are welcome to contact the admin office to assist you in applying for a permit.

General

- **Smoking** is prohibited inside the units.

- Nothing beats the sound of crackling wood on a **fire** so please feel free to start these up and enjoy, but we do request that fires be **put out properly** before turning in for the night.
- Please refrain from starting fires during windy conditions.
- The main unit makes use of a **septic tank** and given the complexities with this type of system, please **avoid** discarding objects such as sanitary napkins, tampons, disposable nappies or any other product that does not breakdown easily, as it will cause the septic tank to **block**.
- We request that you use **water sparingly** given its scarcity in these rural areas, for example limiting showers to once a day per patron.
- Please respect our neighbours by keeping **noise levels to acceptable norms**, particularly at night. Sound tends to travel much further in this type of setting.

-
- Given the rural environment, livestock is plentiful and tend to wander onto the property, generally harmless but if a nuisance please persuade them gently out of the property. Vilella our helper will be on hand to action if so required.
 - **Only service staff and patrons** are allowed onto the **property**. Gillies to sit at the designated area. Service staff have been informed to assist with **trespassing issues**.
 - Our service staff are obliged to carry out the lodges rules/policies hence if any **concerns/issues** with any of these please contact the **admin office** directly.
 - We are always looking to improve our facilities so please feel free to email the admin office with any **suggestions and send us pics** to post on our website or to put into our picture frames at the lodge.
